

EINSTEIN MOVING COMPANY

Sales Call Scorecard — Grading Rubric

Total: 85 pts (77 standard + 8 bonus) · Mastery = 77+ on 3 consecutive gradings

Scoring rule: Points are deducted if the rep fails to cover a required bullet. If the bullet doesn't apply to the call, the point is automatically granted (N/A = auto full credit).

Section 1 — Set The Agenda

7 pts

- Greet the customer
- Get customer's name
- "How are you today?"
- Recap the quote form / confirm move details on file (if applicable)
- Check availability for the move date
- Agenda statement — "I'll gather some details about your move, then walk you through pricing — takes about 10-15 minutes. Sound good?"
- "Sound good?" (explicit confirmation)

Section 2 — Probe for Info / Pain Points

9 pts

- Address and zip code (origin + destination)
- Home size (sq ft or bedrooms)
- Stairs / floors at origin and destination
- Additional rooms (garage, storage unit, balcony)
- Special considerations — long walks, narrow hallways, tight turns
- Packing needs — do they need packing services?
- Boxes — how many?
- Storage — any storage stops?
- Additional stops
- Access concerns — elevator, parking, HOA restrictions
- Moving stressors — "Is there anything you're particularly worried about with this move?"

Section 3 — Pricing / Differentiators

20 pts

- "Pricing is super simple" opener
- Hourly rate (per mover, per hour — with day-of-week tiers if applicable)
- What's included: gas, truck, taxes, insurance, wrap pads, bands, tools

- Disassembly / reassembly included
- Trip fee (if applicable — outside service zone)
- Packing service pricing (same hourly rate + materials)
- No Worries Damage Coverage — up to \$2,000 per move to repair, replace, or reimburse
- Meet Your Mover — email a few days before with mover photo + basic info
- On-Time Guarantee — if we miss the window, we start discounting immediately
- Full "no hidden fees" pitch — no credit card fees, no transportation fees, no fuel surcharge, no assembly fees

Section 4 — Clock

4 pts

- Clock starts on-site when contract opens
- 2.5 hour minimum
- 15-minute prorated increments after the minimum
- "Does that make sense?" or equivalent

Section 5 — Estimate

13 pts

- Quote is accurate for the job described
- Typical time range for this home size
- Number of movers and trucks
- Variables explained: stairs/elevator, specialty items (piano, safe), additional stops, drive time/trip fee, packing time, walk distance, equivalents (school bus reference), traffic, assembly/disassembly

Section 6 — Save Your Ass

10 pts

- Mention that prep before move day = shorter move = lower bill
- Consolidation examples: kids' toys, garden tools, loose items in drawers, photos on walls
- "Take a carload" tip — anything small can go in the car
- "Does that make sense?" or equivalent close

The prep speech — highest-value section for move efficiency. Full 10 pts available if all 4 bullets covered.

Section 7 — Quote / Booking

11 pts

- Attempt to set on schedule today ("We have availability — want to go ahead and lock that in?")
- No deposit required — mention explicitly
- Email handoff explained — "I'll send you a confirmation email"
- BOLDLED list at the top of the email — confirm key details
- "Reply with any corrections" — customer verifies info

■ "Any other questions before I let you go?"

■ Hours and how to reach us

Section 8 — Politeness

3 pts

■ Used customer's name 3+ times throughout the call

■ Warm farewell

■ Customer's mood improved or stayed positive by end of call

Section 9 — Bonus / Helpfulness

8 pts

■ Speaking clearly and at good pace

■ Efficiency — call was organized, didn't waste customer's time

■ Ecobox or Sparefoot referral (if relevant)

■ Made the customer laugh or built genuine rapport

■ Effective insurance explanation (No Worries + 60 cents/lb baseline)

■ Addressed FAQs proactively

■ Budget-conscious framing when needed

Phone Presence Assessment

Separate 1-5
scale

Scored from transcript language only. Does NOT add to or subtract from the 85-pt total. Flag for audio review when score is 1-2 or when transcript signal is insufficient.

5	Outstanding	Genuine warmth, natural name use, humor/rapport moments, customer responds positively
4	Engaging	Consistently warm language, natural affirmations, customer comfortable
3	Adequate	Polite but transactional, warmth inconsistent, minimal rapport beyond the task
2	Flat	Mostly scripted/robotic, minimal acknowledgment of emotions, little warmth
1	Disengaging	Curt, dismissive, or awkward — no empathy, no name use, customer pushback unacknowledged
